

Generation Ali Story App

Terms and Conditions

The Muhammad Ali Center ("we," "us," or "our"), on behalf of itself and its affiliate(s) and subsidiary(ies) (collectively, the "Center"), owns and operates the Generation Ali Story App for the purpose of allowing members of the community, such as yourself ("you," "your") to share information about important causes and personal activism. To that end, your use of the information, materials, text, images and other content on the App is subject to the Terms and Conditions below, which we may revise from time to time without notice, as well as our [Privacy Policy](#), located at alicenter.org, which is incorporated herein by reference. The Terms and Conditions will apply to your use of the Generation Ali Story App, your use of any services provided through or in connection with the Generation Ali Story App, and your use of any companion website or social network (the "App").

Please read these Terms and Conditions carefully. By downloading and using the App, you acknowledge and agree, without limitation or qualification, that you have read, understood, and will be bound by the Terms and Conditions. If you do not comply with the Terms and Conditions, your permission to use the App automatically terminates and we may disable your use of the App. The App is not targeted towards, nor intended for use by, anyone under the age of 13. If you are between the ages of 13 and 18, you may use the App only under the supervision of a parent or legal guardian who agrees to be bound by these Terms and Conditions.

1. Use of the App: You may use the App for the purposes of promoting, sharing and discussing important social causes and movements, personal stories of activism, moments of personal realization, and similar topics (the "Generation Ali Programming"). You may upload Content via the App to share with the Center and/or other App users in furtherance of such purposes. "Content" may include text, files, images, photos, video, sound recordings, musical works, works of authorship, or any other materials made available or posted on or through the App.

You agree not to use the App for any action or communication that is unlawful, prohibited by these Terms and Conditions, false, misleading, intimidating, threatening, harassing, defamatory, obscene, indecent, infringing, unsolicited and commercial, soliciting the performance of any illegal activity, or infringing upon the rights of the Center or any third party. You agree not to interfere, or attempt to interfere, with the operations of the App or to use any device or software that will interfere, or attempt to interfere, with the operations of the App, including any method meant to test its vulnerability or the vulnerability of any devices connected to the App. You agree not to take any action that imposes an unreasonable or disproportionately large load on the infrastructure of the App or any systems or networks connected to the App. You agree not to alter or modify, or attempt to alter or modify, any part of the App except as authorized by these Terms and Conditions.

2. Proprietary rights in Content: You keep your rights to your Content. The Center does not claim ownership rights in the Content that you upload through the App. However, you grant the Center a non-exclusive license to use the Content as set forth in these Terms and Conditions. After uploading Content, you continue to retain any rights you may have in such Content, and you continue to have the right to use your Content.

You grant us a license to use your Content. By uploading any Content on or through the App, you grant to the Center an unrestricted, assignable, sublicensable (through multiple sublicensees), revocable (except as limited below), royalty-free license throughout the universe, to communicate to the public, reproduce, distribute, store, transcode, syndicate, broadcast, reproduce, edit, modify, create derivative works from, and otherwise use and reuse your Content (or any portions or derivative works thereof), through any and all distribution channels and devices, whether now known or hereafter created, and to authorize any third parties to do the same with your Content, solely in connection with (a)

facilitating or promoting the Generation Ali Programming; (b) advertising, marketing and promoting the App; and (c) integration into the Center's other programming and exhibits focused on the Generation Ali Programming or others similar thereto. The foregoing license grant to the Center also authorizes the Center to sublicense to other users of the App the right to use and exploit your content for personal and non-commercial purposes. For example, another user may "share" your Content with other members of their community, print images that you uploaded, or otherwise display your Content to friends and family, including audio and video files.

No third party is authorized by the Center to use your content for any commercial purposes. Notwithstanding the foregoing, to the extent that the Center has sublicensed any of your Content to a third party, such as another user of the App, the sublicense granted to such third party shall survive in perpetuity any revocation of your license grant to the Center and shall be irrevocable. Therefore, even though you may remove any of your Content from the App and terminate your license grants to the Center, any sublicenses made to any third parties with respect to such Content prior to the removal of your Content from the App shall survive.

What your license means. Without this license, the Center would not be able to provide the App. For example, without the right to modify Content, the Center might not be able to digitally compress and/or resize photos that are submitted or otherwise format Content to satisfy technical requirements, and without the right to publicly perform Content, the Center might not be able to allow users to listen or watch videos uploaded by other members.

Your responsibilities regarding Content. In uploading Content on or through the App, you represent and warrant that: (1) you own all rights in and to the Content posted by you or otherwise have the right to grant the license set forth in these Terms and Conditions; (2) the posting of your Content on or through the App does not violate the privacy rights, publicity rights, copyrights, contract rights or any other rights of any person, or require the Center to obtain any licenses from or make any payments to any third party, including, but not limited to, any sound recording copyright owner, any musical work copyright owner, any featured or non-featured musician or vocalist, any representatives of any of the foregoing, including, but not limited to Performing Rights Organizations. You agree to be responsible for any and all fees or monies owing to any person by reason of any Content posted by you to or through the App and publicly performed, publicly displayed, communicated to the public, or otherwise used or exploited.

If you are not the copyright owner of or are not fully authorized to grant rights in all of the elements of the Content you intend to upload or transmit to or through the App, then you must not upload the Content to or through the App. In addition, if you only own the rights in and to a sound recording, for example, but not to any underlying musical works embodied in such sound recording, then you must not upload such sound recording to or through the App unless you obtain all necessary rights, authorizations, and permissions with respect to such embedded musical works that grant you sufficient rights to sublicense to The Center.

3. Our license to you: The App contains Content of the Center or its licensors. Such content is protected by copyright, trademark, patent, trade secret, and other laws, and the Center or its licensors own and retain all rights in such Content and the App.

You acknowledge that (i) all right, title and interest in and to the App, including all patents copyrights, trade secrets, trademarks and other proprietary rights embodied therein or associated therewith, are and will remain with the Center or its third party licensors; (ii) no right or interest in the App is conveyed other than the limited licenses granted herein; (iii) the App is protected by copyright and other intellectual property laws; and (iv) the Center asserts that the App's proprietary technology embodies valuable confidential and secret information of the Center or its licensors, the development of which required the expenditure of considerable time and money.

The Center hereby grants you a limited, revocable, nonsublicensable, nonassignable, royalty free license to reproduce and display the App (excluding any software code) solely for your personal, non-commercial use in connection with enjoying or facilitating the Generation Ali Programming or similar programming.

Except for your Content, you may not reproduce, copy, modify, translate, publish, broadcast, transmit, distribute, perform, display, communicate or sell any Content appearing on or through the App except that you may view such Content in connection with accessing the App to the extent authorized by us or other users of the App. If you download any Content not owned by you, you are liable for any use of such Content not authorized by these Terms and Conditions, including the redistribution of such Content to third party social media sites. For example, if you upload Content to a third party social media site, you are responsible for ensuring such upload is subject to these Terms and Conditions. There are no implied license grants in these Terms and Conditions to you.

4. Rules for Content: Offensive Content may be deleted and access to the App terminated and other action taken if you upload Content that, in the sole judgment of the Center, violates this Agreement or which may be offensive, illegal, harm, threaten, or violate the rights or the safety of any person, or harm the reputation of the Center, or its officers, directors, employees, or affiliates. The Center reserves the right to investigate and take appropriate action against anyone who, in the Center's sole discretion, violates this Agreement.

5. The Center is not responsible for Content: The Center assumes no responsibility for monitoring the App for inappropriate Content or conduct. If at any time the Center chooses, in its sole discretion, to monitor the App, the Center nonetheless assumes no responsibility for the Content, no obligation to modify or remove any inappropriate Content, and no responsibility for the conduct of the User submitting any such content. Content is not necessarily reviewed by the Center prior to uploading and does not necessarily reflect the opinions or politics of the Center. The Center makes no warranties, express or implied, as to the Content or to the accuracy and reliability of the Content or any material or information that you transmit to other users of the App. You understand that the App may potentially expose you to information that is offensive, indecent, or objectionable. We do not have any obligation to monitor, nor do we take responsibility for Content made available by users of the App. You agree that you will evaluate, and bear all risks associated with the use of any Content available on or through the App, including any reliance on the accuracy, completeness, usefulness, or legality of such Content. You understand that when using the App, you will be exposed to Content from a variety of sources, and that the Center is not responsible for the accuracy, usefulness, or intellectual property rights of or relating to such Content. You further understand and acknowledge that you may be exposed to Content that is inaccurate, offensive, indecent or objectionable, and you agree to waive and hereby do waive, any legal or equitable rights or remedies you have or may have against the Center with respect thereto. The Center does not endorse any Content or any opinion, recommendation or advice expressed therein, and the Center expressly disclaims any and all liability in connection with Content.

6. You are responsible for Content you upload. You are solely responsible for the Content that you post on or through the App, and any material or information that you transmit to other users and for your interactions with such other users. The Center does not endorse and has no control over the Content. You should exercise discretion, good sense, and sound judgment when uploading Content. If you locate any Content on or through the App that you find offensive or objectionable, you may report such Content to the Center by sending an email to Info@alicenter.org.

7. User Accounts: In order to access the App, you will create a user account using your first and last name and a login (a "User Account"). You agree that all information which you provide through the App in connection with creating your User Account or otherwise is current, accurate and complete. You are solely responsible for all activity that occurs with respect to your User Account. You are solely responsible for maintaining the confidentiality of your User Account and keeping the username and password to your User Account secure. You agree to notify us immediately of any security breach or unauthorized use of your User Account. We will not be liable for any costs, losses, claims or damages

that you or any third party incur which are directly or indirectly caused by any unauthorized use of your User Account. You agree to never use another party's User Account without such party's express written authorization.

8. User Warranty: By downloading, printing, or otherwise using any of the Content, you agree that you will (i) restrict your use of such Content to personal and non-commercial use, (ii) comply with all of these Terms and Conditions, and (iii) not violate our rights or the rights of any other person or entity. We do not warrant that use of any of the Content will not infringe the rights of third parties.

9. Commercial Use is Restricted: Unauthorized commercial publication or exploitation of text, images, documents, materials or any other Content is prohibited without our express written consent. If you wish to use any of the Content for commercial use, publication, or any purpose other than personal use, you must obtain our express written permission prior to such use. We may, in our sole discretion, grant permission for such use on a case-by-case basis and we may charge a usage fee for such use. Without limitation of the foregoing, you agree that you may not sell, convey, license, sublicense, or resell or attempt any of the foregoing.

10. Trademarks: Names, titles, trademarks, service marks, and logos (collectively, the "Trademarks") displayed in or through the App are our registered and/or unregistered common law trademarks or those of third parties. Nothing contained in the App should be construed as granting, by implication or otherwise, any license or right to use any Trademark displayed on the App without our express written permission or that of the appropriate third party that owns the Trademark. Except as permitted by these Terms and Conditions, any unauthorized use of the Trademarks is prohibited.

11. Digital Millennium Copyright Agent: For purposes of the Digital Millennium Copyright Act ("[DMCA](#)"), we have designated an agent for notices of claimed infringement. If you have any objections governed by the DMCA, please contact the DMCA Agent listed under the Section entitled "Contact Information" below. We provide this contact information for purposes of the DMCA only and reserve the right to respond to communication that is relevant for this purpose. 14. Limited Access: From time to time, the App may be inaccessible or inoperable for any reason, including equipment malfunctions, updates, maintenance and repairs and causes beyond our control or those that are not foreseeable. We make no guarantees with respect to the availability or uptime of the App or the Content. We may conduct maintenance on any of the foregoing at any time with or without notice to you.

17. GENERAL DISCLAIMERS: THE CENTER ASSUMES NO RESPONSIBILITY, AND SHALL NOT BE LIABLE FOR (I) ANY ERRORS OR OMISSIONS IN THE CONTENT ON THE APP, (II) DAMAGE TO OR VIRUSES THAT MAY INFECT YOUR COMPUTER EQUIPMENT OR OTHER PROPERTY ON ACCOUNT OF YOUR USE OF THE APP OR YOUR DOWNLOADING OF ANY TEXT, IMAGES OR OTHER CONTENT FROM THE APP, OR (III) ANY DAMAGE ARISING IN CONNECTION WITH ANY FAILURE OF PERFORMANCE, INTERRUPTION, DEFECT, DELAY IN OPERATION OR TRANSMISSION, OR LINE OR SYSTEM FAILURE.
